Dear Families,

We are already more than halfway through the month of September and it has been a great start to the new school year.

Our school board spiritual theme for this school year is **Catholic Education: Rebuild, Restore, Renew Together**. In the BHNCDSD, we are a dedicated, faith-filled, Catholic education community, and we are stronger together. There are five key sub-themes which will be explored throughout the school board this year: **Rediscover, Rebuild, Restore, Renew, Rejoice**.

We have already begun to do some planning with our parish team and are looking forward to celebrating a virtual mass with the parish team and other local schools. We are also hopeful that we will be able to celebrate an outdoor school mass later this school year.

We hope that the start of the school year has been a positive experience for all of our students and families. Please do not hesitate to contact the school if you have questions or concerns.

Mrs. S. Mason

#### Sacred Heart School Mission Statement

*At Sacred Heart School we learn and pray with Jesus.*

*We celebrate our successes and grow from our mistakes.*

*We treat others with respect and kindness according to God's word.*

#### Morning Drop-off and End of Day Dismissal Procedures

We continue to ask that parents who drive their children to school please drop them off at the driveway beside the school (west side of the school nearest the community centre). Students then are to use the driveway to go to the back of the school. Students will not enter through the front doors to walk through the school. **Outdoor supervision begins at 8:35 am.**

**Please avoid pulling into the community centre parking lot to drop off students in the area where buses are parking and unloading.**

At the direction of the district, paper agendas will not be used. Please also remember to check email regularly for correspondence from the school. It is very important that all families check the email(s) on file with the school daily by 6:00 pm, as this is how information will be shared by the HNHU if any students or classes are deemed close contacts to a positive case of Covid-19 and are instructed to isolate at home.
